3. Mr. Green, of the legal staff of the Atomic Energy Commission, informed me that the Commission had approved the proposed language for amending the Atomic Energy Act, as CIA had requested, and that the Bureau of the Budget had concurred in our proposal. Mr. Green stated he had informed George Norris, Counsel to the Joint Congressional Committee on Atomic Energy that the amendment would be forthcoming, and I have also so informed Mr. Allardice, the staff Director. 27 June 54
